LETTER OF UNDERSTANDING  
BETWEEN  
SCHOOL DISTRICT 33 (CHILLIWACK)  
AND  
CHILLIWACK TEACHERS' ASSOCIATION (CTA)

Re: Continued pay during Emergency Closure for TTOCS in a Long-Term Assignment

This letter is further to our conversation on November 19, 2021 concerning continued pay for TTOCS (Teachers teaching on call) in long term assignments.

The extreme weather events of the past week have necessitated the closure of the School District for the safety and well-being of all our students and staff. Policy 708.3 provides continued pay for regular employees during emergency closures.

The School District agrees to provide pay to TTOC employees in long term assignments for the emergency closure of November 15, 2021 to November 19, 2021. This agreement does not apply to TTOCs on a daily roster call out. This is for this time period only. This agreement is strictly without prejudice and without precedent basis and is not to be referred to in any other matter.

Agreed this 23<sup>rd</sup> day of November, 2021
